BNC Supported Fonts

The Bankruptcy Noticing Center works to support as many fonts as possible; however, in some cases specific font types do not process. In most cases, by embedding the fonts into the PDF notice, we are able to process your notices without issue. The court and/or attorney submitting the notice can embed the fonts when initially creating the PDF. When you convert your file to PDF, most PDF programs will give you the option to embed the fonts into the file.
