  - a. Status of draft revisions to section 5.1 and local form re: liquidation analysis? (Rebecca Garcia and Scott Lieske)
  - b. Finish discussion of proposed changes to section 7.2 (regarding the appropriate method for the trustee to cure arrearages that exist under a plan when the debtor misses monthly plan payments) (tabled at last meeting).
2. Procedure for amending mortgage arrearage claims

4. Post-confirmation modifications: change form to require greater clarity about what provisions in the plan form are modified?
