Chapter 13 Plan

5/2021

Part 1: Notices

“Debtor” as used in this plan means both debtors in a joint case, except where otherwise specified. “Estate” means the estate of each debtor, unless otherwise specified.

To Debtor: This form sets out options that may be appropriate in some cases, but the presence of an option on the form does not mean that the option is necessarily appropriate for you. Plans that do not comply with local rules and judicial rulings may not be confirmable. Nothing in this plan controls over a contrary court order.

THIS FORM PLAN MAY NOT BE ALTERED OTHER THAN THE NONSTANDARD PROVISIONS IN PART 8 BELOW.
Nonstandard provisions set out elsewhere in this plan are ineffective.

In the following notice to creditors, you must check each box that applies.

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified, or eliminated.

You should read this plan carefully and discuss it with your attorney. If you do not have an attorney, you may wish to consult one.

If you oppose the plan’s treatment of your claim or any provision of this plan, your attorney must file an objection to confirmation. The objection must be filed within 28 days of the completion of the Section 341 Meeting of Creditors. The court may schedule a hearing on any timely filed objections. The court may confirm this plan without further notice if no objection to confirmation is filed. See Bankruptcy Rule 3015. You must timely file a proof of claim. The trustee will only pay creditors who hold allowed claims provided for by the plan.

Note to Secured Creditors: If your secured claim is not provided for in Part 3 below, no funds will be disbursed to you by the trustee on your secured claim.

The following matters may be of particular importance. **Debtor must check one box on each line to state whether or not the plan includes each of the following items. If an item is checked as “Not included” or if both boxes are checked, the provision will be ineffective even if otherwise provided for in the plan.**

Part 2:

Plan Payments and Length of Plan

All plan terms relating to the debtor's submission of future earnings or income to the trustee as is necessary for the execution of the plan must be contained in this Part 2.

- Each debtor is responsible for making all payments required by the plan or confirmation order, including those that are deducted from wages as a result of a payroll deduction order.
- The debtor may change the manner of payment to the Trustee, rather than the amount of the payments, by filing Form 9011.
- The debtor may change the amount of the plan payment only by filing and serving an amendment (pre-confirmation) or modification (post-confirmation) to the plan.
- The plan may not provide for payments over a period that is longer than 60 months.

2.1 Length of plan:

A. Length of plan: This is a ____ month plan.

Debtor must check one of the following boxes:

Debtor's current monthly income is OVER median

For an OVER-median-income debtor, the plan ends sixty (60) months from the beginning of the plan term or when all allowed nonpriority unsecured claims are paid in full.

Debtor's current monthly income is UNDER median

For an UNDER-median-income debtor, the debtor must make sufficient periodic or other payments to enable the trustee to make the distributions to creditors stated in this plan. Thirty-six (36) or more months from the beginning of the plan term, the plan will end when all holders of allowed nonpriority unsecured claims have received the payment amount or percentage stated in Part 5. Prior to thirty-six (36) months from the beginning of the plan term, the plan will end when all holders of allowed claims have received the payment required by the plan and holders of nonpriority unsecured claims have been paid in full. The plan will not end earlier than sixty (60) months if there is a creditor listed in § 4.5 of this plan that will receive less than full payment of its claim under 11 U.S.C. §§ 1322(a)(4) and 507(a)(1)(B).

B. First payment is due under the plan and the applicable commitment period begins:

Debtor must check either (1) or (2) (do not check both) and then must check one (and only one) provision in the chosen section:

(1) The debtor paid the filing fee when filing the petition, the first payment is due under the plan (choose one):

- Thirty (30) days after the date of filing the petition.
- Thirty (30) days after the entry of an order confirming the plan.
- On the following date: _____.

Or

(2) The debtor filed an application to pay the filing fee in installments, the first payment is due under the plan (choose one):

- The plan term begins thirty (30) days after the final installment is due.
- Thirty (30) days after the entry of an order confirming the plan.
- On the following date (after the final installment is due) _____.

If debtor makes no selection or makes multiple selections, then the first payment is due under the plan thirty (30) days after the date of filing the petition.

The debtor must comply with the payment obligations made under 11 U.S.C. §1326, regardless of which selection is made here; thus, **the debtor must commence making payments to the trustee in the amount proposed in Part 2.2 no later than 30 days after filing the bankruptcy petition,** unless the court orders otherwise.

Part 3: Treatment of Secured Claims

The following provisions apply to subparts 3.1, 3.2, and 3.3.

Any interest provided to secured claims begins to accrue as of the filing date on the day the plan was filed.

The trustee will disburse amounts listed in the *Monthly plan payment on arrearage* and *Monthly payment to creditor* columns each month. If no amount is listed in the *Monthly plan payment on arrearage* or *Monthly payment to creditor* columns, the trustee will disburse payments to the creditors listed in Part 3 pro rata with other secured creditors that do not receive equal monthly payments.

If a secured creditor obtains relief from the automatic stay as to collateral listed in this section, the trustee will cease further payments to that creditor, and, as of the date of entry of the order granting stay relief, the plan will be deemed not to provide for that creditor's secured claims (beyond payments actually made to creditor as of that date) or any further payment on those claims to the extent secured by that collateral regardless of whether the plan provided for payment on those secured claims before the creditor was afforded relief from stay.

The trustee will pay any arrearage listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) or 3004, and allowed amounts listed on such proof of claim control over any contrary amounts stated below as to the current installment payment and arrearage.

If a claim is filed allowed as fully unsecured, but treated listed in the plan as secured is filed or otherwise allowed as fully unsecured, the Trustee will pay trustee will pay the holder of the claim the amount due under the plan as an unsecured claim, regardless of where the claim is listed in the plan.

Payment of Notices filed under Rule 3002.1(c): The trustee will pay post-petition notices of fees, expenses, and charges filed pursuant to Bankruptcy Rule 3002.1(c) ("3002.1(c) Notice") pro rata when the trustee pays other secured creditors, unless the debtor timely objects to the 3002.1(c) Notice. If the debtor timely objects, the trustee will pay the amount as determined by the court. The trustee will not pay 3002.1(c) Notice amounts if the plan provides for avoidance of the creditor's lien or the surrender of all property securing the creditor's claim.

3.2 Request for valuation of security and modification of undersecured claims held by non-governmental entities. Check one.

This paragraph applies only to allowed secured claims held by non-governmental entities. Provision for payment of allowed secured claims held by governmental entities may only be made in paragraph 3.3. Requests to determine the allowed value of a secured governmental claim must be made by claim objection or motion.

None. *If "None" is checked, the rest of § 3.2 need not be completed or reproduced.*

The remainder of this paragraph will be effective only if the applicable box in Part 1 of this plan is checked.

The debtor requests that the court determine the allowed value of the secured claims listed below. For each secured claim, the debtor states that the allowed value of the secured claim should be as set out in the *Amount of secured claim* column. If the total amount of the proof of claim is less than the amount listed in the *Amount of secured claim* column, the lower amount listed on the proof of claim is allowed and will be paid in full. For each listed claim, the allowed value of the secured claim will be paid in full with interest at the rate stated below.

If no entry is made in the *Interest rate* column, the proof of claim controls the rate of interest. If no interest rate is listed in the plan or proof of claim, then no interest will be paid.

The trustee will disburse amounts listed under the *Monthly payment to creditor* column in equal monthly payments.

The portion of any allowed claim that exceeds the amount stated in the *Amount of secured claim* column will be treated as an unsecured claim under Part 5 of this plan. If the *Amount of secured claim* below is blank or states a value not exceeding \$0, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan.

The allowed amount of the creditor's total claim listed on the proof of claim controls over any amount listed in the *Estimated amount of creditor's total claim* column.

The holder of any allowed secured claim having a value greater than \$0, as listed below in the *Amount of secured claim* column, will retain the lien on the property interest of the debtor or the estate until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien on the debtor's and the estate's interest in the property that secures the claim (*Collateral*) is terminated and deemed released by the creditor.

- (2) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value, or
- (3) otherwise fully secured under 11 U.S.C. § 506(a), or
- (4) allowed secured claims held by governmental units.

The plan directs the trustee to pay these allowed claims in full, with interest at the rate stated below, except that tax claims of governmental units will receive interest as required by 11 U.S.C. § 511.

All other claims: if the plan does not state a rate in the *Interest rate column*, the proof of claim controls the rate of interest; if no interest rate is listed in the plan or proof of claim, the plan pays the claim without interest.

These payments will be disbursed by the trustee.

The trustee will disburse amounts listed under the *Monthly payment to creditor* column in equal monthly payments.

Part 8:

Mortgage Modification Mediation and Other Nonstandard Plan Provisions

Under Bankruptcy Rule 3015(c), nonstandard provisions, including the employment of mortgage modification mediation, must be set forth below. A nonstandard provision is a provision not otherwise included in the Official Form or deviating from it. Nonstandard provisions set out elsewhere in this plan are ineffective.

The plan provisions in this Part, including both subpart 8.2 and 8.3, will be effective only if there is a check in the box "Included" in subpart 1.3.

8.1 None.

If "None" is checked, the rest of Part 8 need not be completed or reproduced.

8.2 Mortgage Modification Mediation: Check "None" if not employing MMM

None. If "None" is checked, the rest of subpart 8.2 need not be completed or reproduced.

Mortgage Modification Mediation ("MMM") Program Participation: The debtor will pay the claim, including any arrearage, of [INSERT: CREDITOR NAME] ("Mediation Creditor") secured by the creditor's mortgage on [INSERT: PROPERTY DESCRIPTION] ("Mediation Property") directly to the creditor under agreed modified terms to be determined by mediation through court-supervised mortgage mediation. This plan provision is ineffective unless the debtor files and serves on the Mediation Creditor (as provided in Bankruptcy Rules 9014(b) and 7004) a Notice of Motion and Motion for Court-Supervised Mortgage Mediation no later than 7 days before the first meeting of creditors or by a date the court for cause orders. Unless the court sustains an objection to plan confirmation based on the debtor's failure to file and serve a Motion for Court-Supervised Mortgage Mediation as provided in this section, the court may confirm the plan if it meets the requirements of §1325 even if the debtor has not complied with this section's procedural requirements. This provision does not affect the Mediation Creditor's rights if the debtor and the Mediation Creditor fail to reach agreement on modified terms. If the debtor and Mediation Creditor fail to reach agreement, the debtor surrenders the Mediation Property effective 30 days after the mediator files their report that the parties failed to agree on a modification or such other date as the court for cause orders (the "Date of Surrender"). On the Date of Surrender (1) the stay under 11 U.S.C. § 362(a) is terminated as to the Mediation Property, (2) any stay under 11 U.S.C. § 1301 applicable to the Mediation Property is terminated as to the Mediation Property, (3) the Mediation Property is deemed abandoned under 11 U.S.C. §554(b), (4) the Mediation Creditor's allowed secured claim is deemed fully satisfied, and (5) the Mediation Creditor's allowed unsecured claim will be paid in the manner provided for in Part 5.

8.3 Other Non-Standard Provisions: Check "None" if no other non-standard provisions

None. If "None" is checked, the rest of subpart 8.3 need not be completed or reproduced.

Other Nonstandard Provisions: State all non-standard provisions and the reasons for their inclusion in the plan.
